

A Paradise named “Unzen Jigoku (Unzen Hell Valley)”

We offer a great location by “Unzen Jigoku” and the finest milky colored hot spring.

Unzen Spa Resort is located in Unzen National Park, which was first designated in Japan. Unzen is also known as a historical resort where used to be a lot of tourists coming from Europe in those days. Located by “Unzen Jigoku” which is the most famous attraction of Unzen, our hotel offers spectacular scenery of the steam rising high from the hell valley. Our “Onsen” (hot spring) gives you an opportunity to enjoy the finest milky colored hot spring. Unzen is located in the middle of Shimabara Peninsula, which is blessed with a variety of foodstuffs. Shimabara Peninsula is also called “Stomachs for one hundred million people”, as its shape and richness of their local foods. Using those rich and fresh materials, you will be fully satisfied with Japanese cuisine of our best chef.
